Love, soft as an easy chair
 Love, fresh as the morning air
 One love that is shared by two
 I have found with you

Like a rose under the April snow
 I was always certain love would grow
 Love ageless and evergreen
 Seldomly seen by two

You and I will make each night a first
 Everyday a beginning
 Spirits will rise and their dance is unrehearsed
 They warm and excite us
 'Cause we have the brightest love

Two lights that shine as one
 Morning glory and midnight sun
 Time we've learned to sail above
 Time won't change the meaning of one love
 Ageless and ever, evergreen
